Step 1—Priority Registration

The student will use the program of study in the University Catalog and their personal transcript (available in CAMS) to select the courses appropriate for their major and/or minor. The student will make an appointment with their advisor to have the schedule reviewed; appointments begin on March 12, 2018.

The advisor will review the schedule and make suggestions. If in agreement, the advisor will allow student access to registration. If the advisor does not agree with the schedule and the student does not want to make alterations, the advisor will allow access to registration and officially note the disapproval in the student's file. Please see special online registration instructions on our website www.cumberland.edu/student-resources.

During the appropriate time period, the student will log in to CAMS and register for the selected courses. Follow the steps in the CU Register, which will include information about Financial Aid, Residence Life, Student Life, and Business Office requirements. When this process is complete, students will be priority registered for spring classes.

Classes are filled on a first-come, first-served basis, by the number of credit hours earned. Students are encouraged to take advantage of Priority Registration.

Step 2—Financial Aid (MH-103)

If you had ANY type of Cumberland University financial aid (scholarships, grants, loans, work-study, etc) during the SP-18 semester, you should do the following:

- Review your FA-18 schedule and determine if your pending financial aid is correct.
- Are all loan amounts correct? This includes student loans, PLUS loans, and alternative loans.
- Are all scholarships listed?
- Are all grants listed?
- Will your spring grades, GPA, grade level, etc. change your fall 2018 financial aid?

If any pending aid is not correct, or if any aid is not listed on your statement, contact the Office of Financial Aid (MH-103) to complete any required forms or documentation, including fall 2018 loan applications.

The Office of Financial Aid staff can also be reached by email at financialaid@cumberland.edu or by phone at 615-547-1399.

- The 2018-2019 FAFSA should be completed between October 1, 2017 and January 17, 2018 for fall 2018.
- Some grant and scholarship's eligibility require the FAFSA to be completed by certain dates for eligibility.
- The FAFSA is required for any aid, including loans that will be awarded for the fall 2018 semester.

Step 3—University Business Office (MH-109)

*****PAPER BILLING STATEMENTS WILL NO LONGER BE MAILED*****

Student billing statements may be viewed in the student ePortal at <http://charlie.cumberland.edu/estudent/login.asp>. Click on “My Ledger,” and be sure to select the appropriate term (in the top left corner of the page). The student billing statement will include tuition and fee charges, housing charges (if student is living on campus), and pending financial aid. (Please note that **estimated** loan amount is the amount available. If you have **estimated** loans, you must see Financial Aid (MH-103) to accept loans and complete loan paperwork before you can make payment or payment arrangements.) Make sure all classes (check “My Schedule” on your ePortal) and all charges on “My Ledger” are correct.

PAYMENT OR PAYMENT ARRANGEMENTS

Payment or payment arrangements must be made before the published deadlines, to avoid a late fee or having your schedule dropped. Registration will not be complete and students cannot attend classes until all tuition and fees are paid in US funds, or, appropriate payment arrangements have been made in the Business Office. **All students must have all charges paid or appropriate payment arrangements made prior to moving into a residence hall, participating in academic or athletic activities and functions, or receiving other University privileges.**

Payments may be made online by credit card, debit card or electronic check in your ePortal <http://charlie.cumberland.edu/estudent/login.asp> by clicking the “Make Payment” button on your ledger. Payments may also be made in person to the Business Office in Memorial Hall, Rooms 109A, 109E, and 109F. Checks should be made payable to Cumberland University and include the student’s University ID number on the face of the check. The University also accepts VISA, MasterCard, American Express and Discover credit or debit cards.

MONTHLY PAYMENTS

Students may make monthly payments by enrolling in the FACTS payment plan. Contracts may be completed online at http://www.cumberland.edu/admissions/financial-aid/e_cashier.html. Payments are automatically withdrawn from a checking or savings account, or charged to a credit or debit card on the 5th or the 20th of each month. An enrollment fee of \$35 for one semester or \$50 for combined Fall/Spring semesters is automatically processed at the time of enrollment. The sooner students enroll in the payment plan, the more options available for payment. **Students must have all balances paid before the end of each semester.**

THIRD PARTY PROMISSORY NOTE

CU also offers a deferred payment plan to those students whose employer/responsible party has agreed to pay for their classes. Each semester, students must sign a third-party promissory note stating the employer/responsible party will pay the balance upon completion of classes at the end of the semester. These students must also submit a signed statement each semester from their employer on company letterhead outlining the amount the employer will pay and the requirements (GPA, number of credit hours, etc.). Contact the Business Office at studentbilling@cumberland.edu to arrange for this payment option. **Students with a balance of more than one semester will not be permitted to register for further classes until the account is paid.**

STUDENT REFUNDS

If a student has a credit balance after all charges are applied, the student may receive a refund. Refunds cannot be processed until attendance is verified in all classes **and** loan funds are received. Loan funds are received at various times. Refunds can be processed by electronic funds transfer (EFT) directly to the student bank account or by paper check. The EFT option is the fastest and more convenient method, and students will automatically receive an email when the EFT is processed. See instructions below for enrolling in EFT. Paper checks are issued for those not enrolled in EFT, and generally take an extra day for processing. Paper checks are available for pick up in the business office for students who are taking classes on campus, or, by mail to off campus students. Students should check their ePortal to see when a refund with a check number is posted to their account for pick up.

HOW TO ENROLL IN ELECTRONIC REFUNDS

Login to your ePortal account at <https://charlie.cumberland.edu/estudent/login.asp>

- Select “My Ledger” on the left side of the screen.
- Select “Make Payment” on the right side of the screen. (You are NOT making a payment, just accessing the next screen). Note: If the “Make Payment” is not displayed, please email studentbilling@cumberland.edu.
- Select “Enroll in eRefund” on the left side of the screen.
- Follow prompts to continue.

If you have any questions or encounter any access restrictions, please email studentbilling@cumberland.edu.

REMINDERS!

The Business Office Staff does **NOT** have access to student ePortal accounts or student bank information. Once enrolled, all refunds payable to the student will be EFT to the bank account set up. It is not necessary to enroll each semester. You will remain enrolled in EFT, unless you withdraw from the process. If your bank account information needs to be updated for any reason, you must make the updates.

If you change your last name after enrolling in EFT, please email studentbilling@cumberland.edu to have your name updated. You may withdraw from EFT at any time by following the same steps above. Refunds to Parents (from PLUS loan funds, etc.) cannot be processed by EFT.

DISCLOSURE STATEMENT

Should any pending credits to a student’s account fail to materialize, or (for any other reason) a balance due results, the student is responsible for the balance. In the event the account remains unpaid and is referred to a collection agency, the student will also be responsible for all collection agency fees and/or attorney fees associated with collections.

RELEASE OF INFORMATION

The University complies with all provisions of the Family Education Rights and Privacy Act of 1974. No information, except directory information, contained in any student's record is released to persons outside the University or to unauthorized persons on the campus without the written consent of the student. The University reserves the right not to release directory information. Directory information includes name, home address, school address, telephone listing, major field of study, participation in officially recognized activities and sports, weight and height of members of the athletic team, dates of attendance, Deans List, degrees and awards received, and the most recent previous educational institution attended. This information may be released to appear in public documents and may be otherwise disclosed without student consent, unless a written request not to release information is filed each semester with the Registrar.

Cumberland University is in compliance with all known federal, state, and local regulations regarding non-discrimination.

The University reserves the right to video tape or audio tape any class for educational purposes.

STUDENTS NEARING GRADUATION

Any student nearing graduation is encouraged to complete the registration process as soon as possible, in order that space may be reserved in needed classes. The University does not guarantee a specific course will be offered during the anticipated final term of enrollment. The University urges students nearing graduation to consult with the Registrar, the Academic School Dean, and/or their advisor to ensure that the needed courses or appropriate substitutions will be offered during their remaining term(s) of enrollment.

The University reserves the right to add, combine, or delete from this schedule, and to make any changes in listed faculty, teaching assignments, class times, and/or room designations.

ADVISING

The University offers advising for both currently enrolled and entering students. Advisors help students with their schedules, but the primary obligation for knowing all graduation requirements rests with the student.

PREREQUISITE

A prerequisite is a course or other specific preparation that must be completed before enrollment in an advanced course. Prerequisite information is contained in the course description sections of the *Cumberland University Catalog*. A grade of "C" or higher must be earned, before advancing to the next sequential course.

Fall 2018 Withdrawal Policy and Dates

Withdrawal will be effective from the date the formal application for withdrawal is filed with the Registrar. The policy for fall is as follows:

When a student decreases the number of hours attempted during a term, a refund may be calculated based upon the official drop date as presented to the Registrar's Office. Credits are based on the tuition charges, not the amount paid. If the student is receiving financial assistance, credits will be returned to the financial aid accounts. This includes lenders of student loans, before any money is returned to the student. Students should note the requirement to return the unearned portion of the federal financial aid might leave them owing a balance to Cumberland University.

Withdrawals from school for any reason, during any term, must be made by official notification to the Registrar's Office (MH-107).

FAILURE TO ATTEND CLASS DOES NOT CANCEL ENROLLMENT. The federal refund calculation policy will be used for students who have attended classes at CU and are receiving Title IV financial assistance.

Refund or credit on account of residence hall rent after registration must be approved by the Vice President for Finance. Refunds will be granted on a pro-rata basis when the student is forced to withdraw

from the residence hall for personal medical reasons confirmed by a licensed physician, or at the request of Cumberland University Administration for reasons other than disciplinary. No refund will be made other than under the above circumstances.

When a student who has received federal financial aid (PELL Grants, FSEOG Grants, Federal Perkins Loans, Direct Federal Stafford Loans, or Direct Federal Parent Loans for Undergraduates) completely withdrawals from the University, the unearned portion of the aid must be returned to the program. The unearned portion is calculated up to the first 60% of the enrollment period. The calculations are made on a pro-rata basis, based upon the total enrollment period. The federal government has set the order in which unearned aid must be returned to the programs. Please see the *University Catalog* for information regarding the order in which refunds are returned.

Students withdrawing from the University must contact the Registrar, the Office of Financial Aid, Director of Residence Life, Dean of Students, and the Business Office.

ACADEMIC ASSISTANCE

Students who need extra help in any course are urged to make an appointment with the instructor as soon as a problem develops. Free tutoring is available by contacting the Office of Student Success

ID CARDS (Student Photo identification card)

These documents are made or updated for all students during the registration fee paying process. There will be a charge for remaking lost ID cards. Students with a meal plan will need to present a valid ID card in order to receive meals in the Phillips Dining Hall. Any student may be asked to present an ID when checking out library materials.
