Step 1 ~ Priority Registration

The student will use the program of study in the *University Catalog* and their personal transcript (available online) to select the courses appropriate for their major and/or minor.

The student will make an appointment with their advisor to have the schedule reviewed; appointments begin on **March 23, 2015**.

The advisor will review the schedule and make suggestions. If in agreement, the advisor will allow access to registration. If the advisor does not agree with the schedule and the student does not want to make alterations, the advisor will allow access to registration and officially note the disapproval in the student's file. Please see special online registration instructions on our website www.cumberland.edu/student-resources.

A student who has a balance of more than one semester in arrears will not be permitted to register for further classes until the account is paid.

During the appropriate time period, the student will log onto CAMS and register for the selected courses.

Follow the steps in the *CU Register* that will include information about Student Financial Services, Residence Life, Student Life, and Business Office requirements. When this process is complete, undergraduate students will be "priority registered" for summer classes.

Step 2 ~ Student Financial Services (MH-103)

Complete
the FAFSA

Visit Student Financial Services (MH-103) to ensure that all Financial Aid is in process and/or complete, including:

- ~ FAFSA has been processed.
- ~ Verification documents have been signed and submitted, if requested.
- ~ Loan applications have been submitted.
- ~ Athletic/Fine Arts scholarships have been signed and submitted.

Questions concerning Financial Assistance (including work study and loan programs) should be addressed to Student Financial Services at financialaid@cumberland.edu.

Students who do not have financial assistance will be expected to pay all tuition and fees during the registration/fee paying process.

Continue to Step 3 below

Step 3 ~ Business Office (MH-109)

Contacting the Business Office is the final step in the registration process. **Students must make their schedule official (which means make payment arrangements).** Make sure your classes are correct, the charges are correct (tuition, fees, housing, etc.) and payment arrangements have been made.

Registration will not be complete and students cannot attend classes until all tuition/fees are paid in U.S. funds or appropriate payment arrangements have been made with the Business Office. Students must pay all balances owed the University before the end of each semester.

Cumberland offers several payment options to facilitate the student with their final step of registration. Methods of payment are: cash; personal check; money order; and credit or debit cards. Financial Assistance is available to students who qualify. Students should contact Student Financial Services for details.

PAYMENT IN FULL – CU will accept a personal check or money order for the total balance due. Checks should be made payable to Cumberland University and include the students' full name on the face of the check. The University also accepts VISA, MasterCard, American Express, and Discover.

Payments may be made online by credit card, debit card, or electronic check at: <https://charlie.cumberland.edu/estudent/login.asp>

MONTHLY PAYMENTS – Students may make monthly payments by enrolling in the FACTS Payment Plan. Contracts may be completed online at: <https://online.campuscommerce.com/signin/4JRVC>

Payments are automatically withdrawn from a checking or savings account, or a credit or debit card on the 5th or the 20th of each month. Contact the Business Office at 615-547-1218 or 615-547-1250 for details.

THIRD PARTY PROMISSORY NOTE - CU also offers a deferred payment plan to those students whose employer/responsible party has agreed to pay for their classes. Each semester students must sign a "Third Party Promissory Note" stating the employer/responsible party will pay the balance on completion of classes at the end of the semester. The students must also submit a signed statement each semester from their employer on company letterhead.

STUDENT RESPONSIBILITY - Should any pending credits to a students' account fail to materialize or for any other reason a balance due results, the student is responsible for the balance due. In the event the account remains unpaid and is referred to a collection agency, the student will also be responsible for all collection agency fees and/or attorney fees associated with collections.

Students must have all fees paid and their schedule official prior to moving into a residence hall, participating in university functions, participating in academic or any athletic activities, or receiving other university privileges.

Summer 2015 Withdrawal Policy and Dates

Withdrawal will be effective from the date the formal application for withdrawal is filed with the Registrar. The policy for summer is as follows:

Session	Last Day to Register/Add a Course	100% Refund	Student responsible for 50% of charges	Student responsible for 75% of charges	Last day to withdraw with a "W"	Last day to withdraw with a "WP" or "WF"
May Term (May 11-June 5)	May 15	May 15	May 22	May 29	May 22	May 29
Summer I (June 8-July 2)	June 12	June 12	June 19	June 26	June 19	June 26
Summer II (July 6-July 31)	July 10	July 10	July 17	July 24	July 17	July 24
All Summer (May 11-Aug. 25)	May 15	May 15	June 12	July 17	June 12	July 17
Term A (May 11-July 2)	May 15	May 15	May 29	June 15	May 29	June 15
Term B (July 6-Aug. 25)	July 10	July 10	July 24	August 10	July 24	August 10

After the last day to withdraw with a "WP" or "WF", students are responsible for 100% of charges.

When a student decreases the number of hours attempted during a term, a refund may be calculated based upon the official drop date as presented to the Registrar's Office. Credits are based on the tuition charges, not the amount paid. If the student is receiving financial assistance, credits will be returned to the financial aid accounts, including lenders of student loans, before any money is returned to the student. **Students should note that the requirement to return the unearned portion of the federal financial aid might leave them owing a balance due to Cumberland University.**

Withdrawals from school for any reason, during any term, must be made by official notification to the Registrar's Office. FAILURE TO ATTEND CLASSES DOES NOT CANCEL ENROLLMENT.

The federal refund calculation policy will be used for students who have attended classes at CU and are receiving Title IV financial assistance.

Refund or credit on account of residence hall rent after registration must be approved by the Vice President for Finance. Refunds will be granted on a pro-rata basis when the student is forced to withdraw from the residence hall for personal medical reasons confirmed by a licensed physician, or at the request of Cumberland University Administration for reasons other than disciplinary. No refund will be made other than under the above circumstances.

When a student who has received federal financial aid (PELL Grants, FSEOG Grants, Federal Perkins Loans, Direct Federal Stafford Loans, or Direct Federal Parent Loans for Undergraduates) completely withdraws from the University; the unearned portion of the aid must be returned to the program. The unearned portion is calculated up to the first 60% of the enrollment period. The calculations are made on a pro-rata basis, based upon the total enrollment period. The federal government has set the order in which unearned aid must be returned to the programs. Please see the *University Catalog* for information regarding the order in which refunds are returned.

Students withdrawing from the University must contact the Registrar, the Student Financial Services Office, Director of Residence Life, Dean of Students, and the Business Office.
