

Information on Registered Sex Offenders

Federal law requires convicted sex offenders to register for the purpose of community notification. In addition, these laws provide for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education. The law requires sex offenders, already required to register in a specific state, to provide notice of each institution of higher education at which that person is employed or enrolled as a student. This registration is to be made available to law enforcement agencies with jurisdiction where the institution of higher education is located. Institutions of higher education are required to issue a statement advising the campus community where law enforcement agency information concerning registered sex offenders may be obtained.
