Books and supplies are additional out of pocket expenses. Therefore, students must be prepared to purchase books and supplies. Such expenses may range from \$300-800 per semester, depending on a student's major and class load.

STEP 1 - STATEMENT OF FINANCIAL RESPONSIBILITY

This is on your CAMS ePortal and will appear the first time you sign in for the semester. You must choose "ACCEPT" before you are able to proceed in CAMS for any purpose including registering for classes. This will only appear the first time you sign in each semester. This Student Responsibility Statement is not new, but this feature will make it easier to record your acceptance electronically. This statement ensures each individual understands their responsibility as a Cumberland student, including financial obligations, the use of student email, communication, and student policies and collection costs, should your account be turned over to a collection agency. A copy of the statement is printed below:

To enroll in courses at Cumberland University, I understand and agree to the following terms and conditions:

- I am personally responsible for payment of all tuition and fees to Cumberland University. I must either pay my balance by the date published for the term, or, I must have a deferred payment plan approved by the University Business Office.
- I must read my Cumberland student emails on a regular basis to ensure I have the most current information regarding my account.
- I may be contacted regarding my student account at any personal telephone number provided to Cumberland University. Communication may be made to home telephone or mobile device using text or voice message.
- I am subject to and responsible for complying with all Cumberland University policies and procedures as stated in the *Cumberland University Catalog*.
- I understand that if my account is referred to a collection agency, I will be responsible for all reasonable collection costs including attorney fees and other charges necessary for collection of this debt. I also understand if my account is referred to a collection agency, my credit report may also be affected.

STEP 2 - MEET WITH YOUR ADVISOR AND PRIORITY REGISTRATION

After accepting the Financial Responsibility Agreement in CAMS, noted in Step 1, the student must meet with his or her advisor in order to register for classes. Students will use the program of study in the *University Catalog* and his or her personal transcript (available in CAMS) to select the courses appropriate for his or her major and/or minor. The student will make an appointment with their advisor to have the schedule reviewed; appointments may begin as early as October 21, 2020.

The advisor will review the selected courses and make suggestions. If in agreement, the advisor will allow access to registration. If the advisor does not agree with the schedule and the student does not want to make alterations, the advisor will allow access to registration and officially note the disapproval in the student's file. Please see special online registration instructions on our website at <https://support.cumberland.edu/portal/page/11-students>.

During the Priority Registration dates (page 1), the student will log in to CAMS and register for the courses agreed upon during advisement. Follow the steps in the *CU Register* which will include information about Financial Aid, Residence Life, Student Life, and Business Office requirements. When this process is complete, students will be priority registered for fall classes. Classes are filled on a first-come, first-served basis, by the number of credit hours *earned*. Students are encouraged to take advantage of Priority Registration.

Students Nearing Graduation

Any student nearing graduation is encouraged to complete the registration process as soon as possible, to ensure space is reserved in the needed classes. The University does not guarantee a specific course will be offered during the anticipated final term of enrollment. The University urges students who are nearing graduation to consult with their Advisor to ensure the needed courses or appropriate substitutions will be offered during the remaining term(s) of enrollment.

Class of 2022 - includes December 2021, May 2022, August 2022 graduates

Make registration a priority! Registration begins for Juniors on October 26, 2020. Ensure you get the classes you need to graduate. Be sure to complete your Intent to Graduate form (links can be found in the **Graduation** section of the *CU Register*).

STEP 3 - FINANCIAL AID OFFICE (MH-103)

Students who had *any* type of Cumberland University financial aid (scholarships, grants, loans, work-study, etc.) during the fall 2020 semester should review their spring 2021 schedule to determine if the pending financial aid is correct (ensure all loan amounts are correct, all scholarships are listed, and all grants are listed, consider if your fall 2020 grades, GPA, grade level, etc. change your spring 2021 financial aid). If any pending aid is not correct, or if any aid is not listed on your statement, contact the Financial Aid Office (615-547-1399 or financialaid@cumberland.edu) to complete any required forms or documentation, including spring 2021 loan applications.

Reminder: Financial Aid will only cover courses within the students' chosen major and/or minor.

The 2021-2022 FAFSA should be completed between October 1, 2020 and February 1, 2021 for Fall 2021. Some grant and scholarship eligibility require the FAFSA to be completed by certain dates to be eligible. The FAFSA is required for any aid including loans that will be awarded for the fall 2021 semester.

TN Promise students: Do not forget to complete eight additional hours of Community Service by December 1, 2020. Ensure you register for at least 12 hours for the spring 2021 semester.

STEP 4 - UNIVERSITY BUSINESS OFFICE (MH-109)

Student billing statements may be viewed in the student CAMS ePortal at <http://charlie.cumberland.edu/estudent/login.asp>. Under the Admin tab click "My Ledger". Be sure to select the correct term (located in the profile tab). The student billing statement will include tuition and fee charges, housing charges, and pending financial aid (as applicable). Please note that **estimated** loan amount is the amount available. If you have **estimated** loans, you must see Financial Aid Office (MH-103) to accept loans and complete loan paperwork before you can make a payment or payment arrangements.

PAYMENT OR PAYMENT ARRANGEMENTS

Payment or payment arrangements must be made before the published deadlines to avoid a late fee or your schedule may be dropped. Registration will not be complete and students cannot attend classes, move into a residence hall, participate in academic or athletic activities and functions, or other University privileges until all tuition and fees are paid in US funds or appropriate payment arrangements have been made in the Business Office.

Payments may be made online by credit card (Visa, MasterCard, American Express, and Discover), debit card, or electronic check in your CAMS ePortal (click Ledger). Once in your Ledger click "Confirm Enrollment". Payments may also be made in person to the University Business Office. Checks should be made payable to Cumberland University and include the student's University ID number on the face of the check.

MONTHLY PAYMENTS

Students may make monthly payments by enrolling in the payment plan. Contracts may be completed online in the student CAMS ePortal. **Payments are automatically withdrawn** from a checking or savings account or charged to a credit or debit card (a convenience fee will be charged for credit or debit cards) on the 5th or the 20th of each month. An enrollment fee of \$35 per semester is automatically processed at the time of enrollment. **The sooner students enroll in the payment plan the more options available for payment. Students must have all balances paid before the end of each semester.**

THIRD PARTY PROMISSORY NOTE

Cumberland University offers a deferred payment plan to those students whose employer/responsible party has agreed to pay for their classes. Each semester students must sign a third party promissory note stating the employer/responsible party will pay the balance on completion of classes at the end of the semester. These students must also submit a signed statement each semester from their employer on company letterhead, outlining the amount the employer will pay and the requirements (GPA, number of credit hours, etc.). Contact the Business Office (studentbilling@cumberland.edu) to arrange for this payment option. Students with a balance of more than one semester will not be permitted to register for further classes until the account is paid.

STEP 4 - UNIVERSITY BUSINESS OFFICE (MH-109) CONTINUED

HOW TO ENROLL IN ELECTRONIC REFUNDS

Please enroll in Direct Deposit eRefunds. All student refunds are issued via an electronic funds transfer (EFT) for faster and safer refunds. Student refunds can deposit into a checking or savings account. You will need the bank routing number and checking or savings account number. NOTE: eRefunds cannot deposit to a credit card.

- Log into your student CAMS ePortal.
- Select MY EFT under the Admin tab.
- Select name icon in the top right.
- Select direct deposit refunds
- Follow the prompts to complete the process.

Once enrolled, all refunds payable to the student will deposit into the bank account entered. This will continue each semester, it is not necessary to enroll every semester. You will be enrolled until you withdraw from the process.

IMPORTANT REMINDERS

Students are responsible for keeping banking information updated and accurate, this can be changed using the MY EFT link in CAMS. If you change your name after enrolling in EFT, please email studentbilling@cumberland.edu to have your name updated.

NOTE: Refunds to parents cannot be processed via direct deposit.

DISCLOSURE STATEMENT

Should any pending credit to a student's account fail to materialize or a balance due results, the student is responsible for the balance. In the event the account remains unpaid and is referred to a collection agency, the student will also be responsible for all collection agency fees and/or attorney fees associated with collections.

ACADEMIC

RELEASE OF INFORMATION

The University complies with all provisions of the Family Education Rights and Privacy Act of 1974 dealing with the release of education records. No information, except directory information, contained in any students' records is released to persons outside the University or to unauthorized persons on the campus without the written consent of the student. The University reserves the right not to release directory information. Directory information includes name, home address, school address, telephone listing, major field of study, participation in officially recognized activities and sports, weight and height of members of an athletic team, dates of attendance, Deans List, degrees and awards received, and the most recent previous educational institution attended. This information may be released to appeal in public documents and may be otherwise disclosed without student consent, unless a written request not to release information is filed with the Registrar.

ADVISING

The University offers advising for both currently enrolled and incoming students. Advisors help students with their schedules, but the primary obligation for knowing all graduation requirements rests with the student.

PRE REQUISITE

A pre requisite is a course or other specific preparation which must be completed before enrollment in an advanced course. Prerequisite information is contained in the course description sections of the University Catalog. A grade of "C" or higher must be earned before advancing to the next sequential course.

ACADEMIC ASSISTANCE

Students who need extra help in any course are urged to make an appointment with the instructor as soon as a problem develops. Free tutoring is available by contacting the Office of Student Success (615-547-1295).

WINTER 2020 & SPRING 2021 WITHDRAWAL POLICY AND DATES

Withdrawal will be effective from the date the formal application for withdrawal is filed with the Registrar. The policy for spring 2021 is as follows:

	FULL TERM (November 30-January 22)	A TERM (November 30-December 23)	B TERM (December 28-January 22)
WINTER 2020			
Last day to drop without penalty	December 4	December 2	December 30
Last day to withdraw with a grade of "W;" student responsible for 50% of charges	December 21	December 7	January 4
Last day to withdraw with a "WP" or "WF;" student responsible for 75% of charges	January 4	December 14	January 11
SPRING 2021	FULL TERM (January 25-May 7)	A TERM (January 25-March 16)	B TERM (March 17-May 7)
Last day to drop or add without penalty	January 29	January 29	March 26
Last day to withdraw with a grade of "W;" student responsible for 50% of charges	February 19	February 12	April 9
Last day to withdraw with a "WP" or "WF;" student responsible for 75% of charges	March 31	February 26	April 19

When a student decreases the number of hours attempted during a term, a refund may be calculated based upon the official drop date as presented to the Registrar's Office. Credits are based on the tuition charges, not the amount paid. If the student is receiving financial assistance, credits will be returned to the financial aid accounts, including lenders of student loans, before any money is returned to the student. Students should note the requirement to return the unearned portion of federal financial aid might leave a balance owed to Cumberland University.

Withdrawals from school for any reason, during any term, must be made by official notification to the Registrar's Office (MH-107). FAILURE TO ATTEND CLASS DOES NOT CANCEL ENROLLMENT. The federal refund calculation policy will be used for students who have attended classes at Cumberland University and are receiving Title IV financial assistance.

Refunds will be granted on a pro-rata basis, when the student is forced to withdraw from the residence hall for personal medical reasons confirmed by a licensed physician, or at the request of Cumberland University Administration for reasons other than disciplinary. All other withdrawals from housing will be charged 10% of residence hall rate or prorated charges for actual time in residence hall.

When a student who has received federal financial aid (PELL Grants, FSEOG Grants, Federal Perkins Loans, or Direct Federal Parent Loans for Undergraduates) completely withdraws from the University, the unearned portion of the aid must be returned to the program. The unearned portion is calculated up to the first 60% of the enrollment period. The calculations are made on a pro-rata basis, of the total enrollment period. The federal government has set the order in which unearned aid must be returned to the programs. Please see the *University Catalog* for information regarding the order in which refunds are returned.

Students withdrawing from the University must contact the Registrar to begin the withdrawal process.

The University reserves the right to video tape or audio tape any class for educational purposes.

Cumberland University is in compliance with all known federal, state, and local regulations regarding non-discrimination.

STUDENT LIFE

RESIDENCE LIFE
