

Social Contract for Returning to the Cumberland University Campus

As we, the Cumberland University Community, prepare to return to campus, there are certain behaviors critical to the health and well-being of our fellow Phoenix. In order to ensure the well-being of myself and others, I will commit to:

1. Respect personal space and practice social distancing;
2. Practice good hygiene (hand-washing, coughing and sneezing into bend of the arm or tissue);
3. Regular disinfecting of my workspace, personal items, and living area;
4. Work to mitigate spread of germs on doors, railings, and other high contact areas;
5. Being compliant with the expectation to wear a protective face covering in public spaces on campus;
6. Self-monitor daily and if exhibiting COVID-19 symptoms, stay home when I exhibit symptoms, and participate daily in the Cumberland University Daily Symptoms Tracker;
7. Prioritize virtual or outdoor meetings with social distancing;
8. Display flexibility and agility as the situation impacts my work and educational environment;
9. Comply with university quarantine procedures when necessary, act responsibly; and
10. Extend grace, care, and respect to others.

I understand that, as a member of the Cumberland University community, I will abide by the Campus Safety Expectations set forth in this agreement.
