Step 1 - Priority Registration

The student will use the program of study in the *University Catalog* and their personal transcript (available in CAMS) to select the courses appropriate for their major and/or minor. The student will make an appointment with their advisor to have the schedule reviewed; appointments begin on October 21, 2019.

The advisor will review the schedule and make suggestions. If in agreement, the advisor will allow access to registration. If the advisor does not agree with the schedule and the student does not want to make alterations, the advisor will allow access to registration and officially note the disapproval in the student's file. Please see special online registration instructions on our website at https://support.cumberland.edu/portal/page/11-students.

During the appropriate time period, the student will log in to CAMS and register for the selected courses. Follow the steps in the *CU Register* that will include information about Financial Aid, Residence Life, Student Life, and Business Office requirements. When this process is complete, students will be priority registered for spring classes. Classes are filled on a first-come, first-served basis, by the number of credit hours *earned*. Students are encouraged to take advantage of Priority Registration.

STUDENTS NEARING GRADUATION

Any student nearing graduation is encouraged to complete the registration process as soon as possible, in order to secure needed classes. The University does not guarantee a specific course will be offered during the anticipated final term of enrollment. The University urges students who are nearing graduation to consult with the Registrar, the Academic School Dean, and their advisor to ensure the needed courses or appropriate substitutions will be offered during their remaining term(s) of enrollment.

The University reserves the right to add, combine, or delete from this schedule, and to make any changes in listed faculty, teaching assignments, class times, and/or room designations.

Step 2 - Financial Aid (MH-103)

If you had ANY type of Cumberland University financial aid (scholarships, grants, loans, work-study, etc) during the FA-19 semester, you should do the following:

- Review your SP-20 schedule and determine if your pending financial aid is correct.
- Are all loan amounts correct? This includes student loans, PLUS loans, and alternative loans.
- Are all scholarships listed?
- Are all grants listed?
- Will your fall 2019 grades, GPA, grade level, etc. change your spring 2020 financial aid?

If any pending aid is not correct, or if any aid is not listed on your statement, contact the Financial Aid Office (MH-103) to complete any required forms or documentation, including spring 2020 loan applications. The Financial Aid Staff can also be reached by email at financialaid@cumberland.edu or by phone at 615-547-1399.

FAFSA

Everybody's doing it!

- The 2019-2020 FAFSA should be completed prior to November 1, 2019 for Spring 2020.
- Eligibility for some grants and scholarships requires the FAFSA to be completed by certain dates.
- The FAFSA is required for any aid including loans that will be awarded for the spring 2020 semester.

TN Promise

Keep your eligibility!

TN Promise students, don't forget to complete and submit to your TN Pomise organization, 8 additional hours of Community Service by **December 1, 2019**.

Make sure you register for at least 12 hours for the spring 2020 semester.

Step 3 - University Business Office (MH-109) ******PAPER BILLING STATEMENTS WILL NO LONGER BE MAILED******

Student billing statements may be viewed in the student ePortal at http://charlie.cumberland.edu/estudent/login.asp. Click on "My Ledger", and be sure to select the appropriate term (in the top left corner of the page). The student billing statement will include tuition and fee charges, housing charges (if student is living on campus), and pending financial aid. (Please note that *estimated* loan amount is the amount available. If you have *estimated* loans, you must see Financial Aid (MH-103) to accept loans and complete loan paperwork before you can make a payment or payment arrangements.) Make sure all classes (check "My Schedule" on your ePortal) and all charges on "My Ledger" are correct.

PAYMENT OR PAYMENT ARRANGEMENTS

Payment or payment arrangements must be made before the published deadlines, to avoid a late fee or having your schedule dropped. Registration will not be complete and students cannot attend classes until all tuition and fees are paid in US funds, or, appropriate payment arrangements have been made in the Business Office. All students must have all charges paid or appropriate payment arrangements made prior to moving into a residence hall, participating in academic or athletic activities and functions, or receiving other University privileges.

Payments may be made online by credit card, debit card, or electronic check in your ePortal http://charlie.cumberland.edu/ estudent/login.asp by clicking the "Make Payment" button on your ledger. Payments may also be made in person to the Business Office in Memorial Hall, Rooms 109A, 109E, and 109F. Checks should be made payable to Cumberland University and include the student's University ID number on the face of the check. The University also accepts VISA, MasterCard, American Express, and Discover credit or debit cards.

MONTHLY PAYMENTS

Students may make monthly payments by enrolling in the FACTS payment plan. Contracts may be completed online at https://online. campuscommerce.com/signin/4JRVC. Payments are automatically withdrawn from a checking or savings account, or charged to a credit or debit card on the 5th or the 20th of each month. An enrollment fee of \$35 for one semester or \$50 for combined Fall/Spring semesters is automatically processed at the time of enrollment. The earlier students enroll in the payment plant, the more options available for payment. **Students must have all balances paid before the end of each semester**.

THIRD PARTY PROMISSORY NOTE

CU also offers a deferred payment plan to those students whose employer/responsible party has agreed to pay for their classes. Each semester students must sign a third party promissory note stating the employer/responsible party will pay the balance on completion of classes at the end of the semester. These students must also submit a signed statement each semester from their employer on company letterhead. Outlining the amount the employer will pay and the requirements (GPA, number of credit hours, etc.). Contact the Business Office at studentbilling@ cumberland.edu to arrange for this payment option. Students with a balance of more than one semester will not be permitted to register for further classes until the account is paid.

HOW TO ENROLL IN ELECTRONIC FUNDS

Please enroll in Direct Deposit eRefunds. All student refunds are issued via an EFT (electronic funds transfer), for **FASTER AND SAFER** refunds. Student refunds can deposit into a checking or savings account. You will need your **bank routing number** and **checking** or **savings account number**. NOTE: eRefunds cannot deposit onto a credit or debit card. However, if you have a debit card, you do have a checking account number.

- HOW TO ENROLL
- 1. Log into your student CAMS ePortal
- 2. Select MY EFT on the left side menu
- 3. Select Enroll in eRefund
- 4. Follow the prompts to complete the process **IMPORTANT REMINDERS**

- Once enrolled, all refunds payable to the student will deposit into the bank account entered. This will continue each semester. It is not necessary to enroll every semester.

- Students are responsible for keeping banking information updated and accurate. Change in banking information will need to be updated through the same **MY EFT** link on CAMS.

- The Business Office does NOT have access to your ePortal account or your bank account information.

- You will remain enrolled in direct deposit until you withdraw from the process. You may withdraw from direct deposit at any time through the **MY EFT** link on CAMS.

- If you change your name after enrolling in EFT, please email studentbilling@cumberland.edu to have your name updated. **NOTE**: Refunds to parents cannot be processed via direct deposit.

DISCLOSURE STATEMENT

Should any pending credits to a student's account fail to materialize, or (for any other reason) a balance due results, the student is responsible for the balance. In the event the account remains unpaid and is referred to a collection agency, the student will also be responsible for all collection agency fees and/or attorney fees associated with collections.

If withdrawing from school from February 8-March 13, you will be responsible for 75% of all charges. If withdrawing from school after March 13, 2020, you will be responsible for 100% of all charges.

Spring 2020 Withdrawal Dates - A Term and B Term

Withdrawal will be effective from the date the formal application for withdrawal is filed with the Registrar. The policy for A Term and B Term is as follows:

A TERM - January 6-February 28

Wednesday, January 10, 2020 - Last day to register, add, or drop A Term class Wednesday, January 24, 2020 - Last day to drop a class and receive a grade of "W" Monday, February 12, 2020 - Last day to drop a class and receive a grade of "WP" or "WF"

B TERM - March 9-May 1

When a student decreases the number of hours attempted during a term, a refund may be calculated based upon the official drop date as presented to the Registrar's Office. Credits are based on the tuition charges, not the amount paid. If the student is receiving financial assistance, credits will be returned to the financial aid accounts, including lenders of student loans, before any money is returned to the student. Students should note the requirement to return the unearned portion of the federal financial aid might leave them owing a balance to Cumberland University.

Withdrawals from school, for any reason during any term, must be made by official notification to the Registrar's Office (MH-107). **FAILURE TO ATTEND CLASS DOES NOT CANCEL ENROLLMENT**. The federal refund calculation policy will be used for students who have attended classes at CU and are receiving Title IV financial assistance.

Refund or credit on account of residence hall rent after registration must be approved by the Vice President for Finance. Refunds will be granted on a pro-rata basis when the student is forced to withdraw from the residence hall for personal, medical reasons confirmed by a licensed physician, or at the request of Cumberland University Administration for reasons other than disciplinary. No refund will be made other than noted, above circumstances.

When a student who has received federal financial aid (PELL Grants, FSEOG Grants, Federal Perkins Loans, Direct Federal Stafford Loans, or Direct Federal Parent Loans for Undergraduates) completely withdraws from the University, the unearned portion of the aid must be returned to the program. The unearned portion is calculated up to the first 60% of the enrollment period. The calculations are made on a pro-rata basis, based upon the total enrollment period. The federal government has set the order in which unearned aid must be returned to the programs. Please see the *University Catalog* for information regarding the order in which refunds are returned.

Students withdrawing from the University must contact the Registrar, the Financial Aid Office, Director of Residence Life, Dean of Students, and the Business Office.
