

# COURSE OFFERING FOR THE SUMMER 2016 SEMESTER

# Step I of 3 - Priority Registration

The student will use the program of study in the University Catalog and their personal transcript (available in CAMS) to select the courses appropriate for their major and/or minor. The student will make an appointment with their advisor to have the schedule reviewed; appointments begin on March 21, 2016.

The advisor will review the schedule and make suggestions. If in agreement, the advisor will allow access to registration. If the advisor does not agree with the schedule and the student does not want to make alterations, the advisor will allow access to registration and officially note the disapproval in the student's file. Please see special online registration instructions on our website www.cumberland.edu/student-resources.

During the appropriate time period, the student will log in to CAMS and register for the selected courses. Follow the steps in the CU Register that will include information about Student Financial Services, Residence Life, Student Life, and Business Office requirements. When this process is complete, students will be priority registered for summer classes.

# Step 2 of 3 - Student Financial Services (MH-103)

If you had ANY type of Cumberland University financial aid (scholarships, grants, loans, work-study, etc) during the SP-16 semester, you should do the following:

- Review your SU-16 schedule and determine if your pending financial aid is correct.
- Are all loan amounts correct? This includes student loans, PLUS loans, and alternative loans.
- Are all scholarships listed?
- Are all grants listed?
- Will your spring 2016 grades, GPA, grade level, etc. change your summer 2016 financial aid?

If any pending aid is not correct, or if any aid is not listed on your statement, contact the Student Financial Services Office (MH-

103) to complete any required forms or documentation, including summer 2016 loan applications.

The Student Financial Services Staff can also be reached by email at financialaid@cumberland.edu or by phone at 615-547-1399.

### FAFSA

Everybody's doing it!

- The 2016-2017 FAFSA should be completed between January I and February I, 2016 for Fall 2016.
- Some grants and scholarships eligibility require the FAFSA to be completed by certain dates to be eligible.
- The FAFSA is required for any aid including loans that will be awarded for the fall 2016 semester.

### **TN Promise**

#### Keep your eligibility!

TN Promise students, don't forget to complete 8 additional hours of Community Service by August 1, 2016.

Make sure you register for at least 12 hours for the Fall 2016 semester.

# Step 3 of 3 - University Business Office (MH-109)

Contacting the Business Office is the final step in the registration process. **Students must get official (which means to make your payment arrangements) before the first day of class.** Make sure your classes are correct, the charges are correct (tuition, fees, housing, etc.) and payment arrangements have been made.

Registration will not be complete and students cannot attend classes until all tuition/fees are paid in U.S. funds or appropriate payment arrangements have been made with the Business Office. Students must pay all balances owed to the University before the end of each semester.

Cumberland University offers several payment options to facilitate final steps of registration for the student. Methods of payment are: cash, personal check, money order, and credit, or debit cards. Financial Assistance is available to students who qualify. Students should contact Student Financial Services for details (Step 2).

**PAYMENT IN FULL** - Cumberland University will accept a personal check or money order for the total balance due. Checks should be made payable to Cumberland University and include the student's full name on the face of the check. The University also accepts VISA, MasterCard, American Express, and Discover.

Payments may be made online by credit card, debit card, or electronic check at http://charlie.cumberland.edu/estudent/login. asp

**MONTHLY PAYMENTS** - Students may make monthly payments by enrolling in the FACTS Payment Plan. Contracts may be completed online at https://online.campuscommerce. com/signin/4JRVC

Payments are automatically withdrawn from a checking or savings account, or a credit or debit card on the 5th or the 20th of each month. Contact the Business Office at (615) 547-1218 or (615) 547-1250 for details. More options are available for early sign-up.

**THIRD PARTY PROMISSORY NOTE** - CU also offers a deferred payment plan to those students whose employer/ responsible party has agreed to pay for their classes. Each semester, students must sign a third party promissory note stating the employer/responsible party will pay the balance on completion of classes at the end of the semester. The students must also submit a signed statement each semester from their employer on company letterhead.

### Students with a balance of more than one semester in arrears will not be permitted to register for further classes until the account is paid.

Should any pending credits to a student's account fail to materialize, or for any other reason, a balance is due, the student is responsible. In the event the account remains unpaid and is referred to a collection agency, the student will also be responsible for all collection agency fees and/or attorney fees associated with collections.

All students must have all fees paid and be official prior to moving into a residence hall, participating in university functions, participating in academic or any athletic activities, or receiving other University privileges.

# Summer 2016 Withdrawal Policy and Dates

Withdrawal will be effective from the date the formal application for withdrawal is filed with the Registrar. The policy for summer 2016 is as follows:

Session	Last Day to Register/Add a Course	100% Refund	Student Responsible for 50% of charges	Student Responsible for 75% of charges	Last day to withdraw with a "W"	Last day to withdraw with a "WP" or "WF"
May Term (May 9-June 3)	May 13	May 13	May 20	May 27	May 20	May 27
Summer I (June 6-July I)	June 10	June 10	June 17	June 24	June 17	June 24
Summer II (July 11-August 5)	July 15	July 15	July 22	July 29	July 22	July 29
All Summer (May 9-August 23)	May 13	May 13	June 10	July 18	June 10	July 18
Term A (May 9-July 1)	May 13	May 13	May 27	June 13	May 27	June 13
Term B (July 5-August 23)	July 8	July 8	July 22	August 8	July 22	August 8

When a student decreases the number of hours attempted during a term, a refund may be calculated based upon the official drop date as presented to the Regisrar's Office. Credits are based on the tuition charges; not the amount paid. If the student is receiving financial assistance, credits will be returned to the financial aid accounts, including lenders of student loans, before any money is returned to the student. Students should note that the requirement to return the unearned portion of the federal financial aid might leave them owing a balance due to Cumberland University.

Withdrawals from school for any reason, during any term, must be made by official notification to the Registrar's Office (MH-107). **FAILURE TO ATTEND CLASS DOES NOT CANCEL ENROLLMENT**. The federal refund calculation policy will be used for students who have attended classes at CU and are receiving Title IV financial assistance.

Refund or credit on account of residence hall rent after registration must be approved by the Vice President for Finance. Refunds will be granted on a pro-rata basis when the student is forced to withdraw from the residence hall for personal or medical reasons confirmed by a licensed physician, or at the request of Cumberland University Administration for reasons other than disciplinary. No refund will be made other than under the above circumstances.

When a student who has received federal financial aid (PELL Grants, FSEOG Grants, Federal Perkins Loans, Direct Federal Stafford Loans, or Direct Federal Parent Loans for Undergraduates) completely withdraws from the University, the unearned portion of the aid must be returned to the program. The unearned portion is calculated up to the first 60% of the enrollment period. The calculations are made on a pro-rata basis, based upon the total enrollment period. The federal government has set the order in which unearned aid must be returned to the programs. Please see the *University Catalog* for information regarding the order in which refunds are returned.

Students withdrawing from the University must contact the Registrar, the Student Financial Services Office, Director of Residence Life, Dean of Students, and the Business Office.
